

ANOTHER SUCCESSFUL MBABC ANNUAL GOLF TOURNAMENT

Another summer gone and another successful MBABC golf tournament! Traditionally this event has been blessed with fantastic weather and this year's tourney at the Falls Golf Course was no exception. Our golfers not only enjoyed 27 degrees of warm weather but also networking and dinner at the Harrison Hot Springs Hotel.

With tremendous support from our sponsorship partners and event participants, we are very pleased to have raised over \$15,000 benefiting the BC Children's Hospital.

Thank you to our sponsors and volunteers in helping make this event a huge success again this year, without this support and generosity we couldn't have made it happen.

We look forward to seeing everyone at next year's event, which will be held at the beautiful Westin Bear Mountain Golf Resort and Spa.
